

Cut and fold on the two dotted lines so that the word "menu" lines up.

Cut and glue to the inside of the menu.

Write the name of your country (or restaraunt inside the banner).

Choose items from the country you are studying to enter into the different sections. Illustrate some of these dishes on the fold out sides of the menu.

Suggestion: Younger children may enjoy gluing in pictures from the Internet of local dishes instead of using this menu insert.
