

Cut out the "pocket". Apply glue only on the strips where it says "glue here". Place the glue side down on your notebook page or lapbook.

Cut out the square that says "traditional clothing and paste it on the outside of the pocket.

When the glue dries you can place your figures inside.

Cut out the figures. Draw and color features and clothing that match the people of the country you are studying. You may want to use one figure for a boy and the other for a girl.

\*Optional idea: You can also create clothing from fabric scraps or colored paper.

You can add yarn or other items for hair and accessories.
