

The lives of people and plants are intertwined!

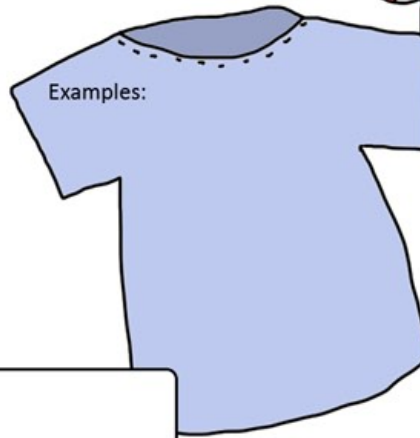

People grow plants for:

Examples:

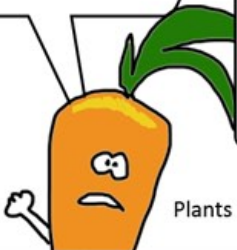

People use plants for:

Examples:

I'm going to look into getting a houseplant... or perhaps I'll take a nice relaxing walk in the woods. I've got to get myself a different job. Sheesh. I just HAD to learn that people grow plants for... I can't even say it! Like I needed to know THAT. Hey, you! Put me on a different notebooking page please.

People use plants to make:

Examples:

You can use plants for:

Examples:

Explain:

Plants help clean:

Explain:
